I will pass on your allegations to the board and they will take the appropriate action. Given the allegations it is not appropriate to pursue public offering of shares. Someone from the board may contact you for details.

Antagonistic, That is the pot calling the kettle black.

Clearly Blx is very valuable.

Unfortunately, you have siphoned money out of Blx for your benefit and now try to portray that you are doing a capital raise but yet aren't providing financial information in the process.

I am open to hearing what you have to say. Lmk if u r available anytime 730 to 845am wed morning before my meetings?

Cordially,

Discussion would be about other issues. If you don't want to have it then the fate of the company is sealed.

I am in of your letter receipt. I do not believe you are entitled the information requested. If you retain counsel the company would be happy to share the I am happy to discuss if you would like to speak.

On a separate note the company is attempting to raise capital at the current time. If you want to pursue any frivolous legal action , as you have done in the past, you will jeopardize the capital raise, and the company will have to be liquidated. Or instead, you could help the company if you chose to do so. I am free to discuss anytime.
